

JCA RUNS WORKSHOP AT THE EUROPEAN RESEARCHERS' NIGHT – SEPTEMBER 2016

Junior Code Academy was present at the European Researchers' Night hosted in Porto, Portugal (Ciência à Moda do Norte), on September. The initiative gathered more than 70 schools, thousands of students and teachers to celebrate Science. With activities aimed to all students, researchers and development centers shared their knowledge and experience in what was a very successful night.

CRETA WELCOMED THE 2ND MEETING OF THE PROJECT - OCTOBER 2016

The Regional Directorate of Education of Crete hosted the 2nd meeting of the project (Heraklion, Crete). Partners discussed the progress of the project, in particular, the pilot implementation of the guide in Portugal. Deadlines and responsibilities regarding the next phase of the project (implementation in Italian and Greek schools) were also agreed.

JCA WAS INTRODUCED TO TEACHERS AT REGIONAL CONFERENCE – NOVEMBER 2016

A one-day conference about education (Cons/certar estratégias para desenvolver talentos") was organised by INOVA+ at the end of November. During the afternoon, the main topic discussed was the activation of talents at school, where JCA was introduced to teachers as a good example of how to develop key competences through coding.
